Completed in 2018 with 89% in Sri  
Vijay vidyalaya Matric Higher  
Secondary School, Dharmapuri.

## About Me

---

To become a successful professional in the field of Information Technology and to work in an innovative and competitive world which will help me to learn and explore myself fully and realize my potential, willing to work as a key player in a challenging and creative environment.

## Academic project

---

### Preprocessing in Datamining using R Function:-

In this data mining project, our primary focus will be on the crucial task of data preprocessing using the R programming language. The main goal of this project is to prepare and clean raw data to make it suitable for effective analysis and modeling. The specific objectives of data preprocessing in data mining include data visualization, data splitting, handling missing values, encoding categorical data, data summarization, and feature scaling.

## Volunteership

---

### Ingoude Club

Participation in traffic awareness club at college.

### Green plantation

Been volunteer in tree plantation around coimbatore city with NGO'S.
